Delight all the senses as Executive Chef Kristin Butterworth expertly traverses through courses carefully curated just for you. Butterworth and her team deliver an innovative, ever-evolving menu that elevates the best local ingredients of the season, artfully redefining Euro-American cuisine. An intricate dance between the highly skilled team of chefs, impeccable servers, and sommeliers, Lautrec performs a culinary celebration where no meal is the same. Not only does the cuisine inspire, you'll become inspired by the six original lithograph prints from French painter, Toulouse Lautrec – the perfect complement to a marvelous meal.

Complementing the cuisine is a thoughtfully collected, 1,200-bottle wine list from the resort's prized cellar, the largest working wine cellar in Pennsylvania. To help you make your selection, Nemaquin's resident sommelier delights in providing beautifully-paired glass and bottle recommendations.
